

Suggested web sites

Investigating art

www.bbc.co.uk/northernireland/schools/4_11/primaryart

A site about how to create murals. Videos show different painting techniques, plus slideshows of children working.

<http://www.eduweb.com/pintura/a3.html>

A site for upper key stage two. Children have to solve the mystery of Grandpa's painting by following the clues and answering questions.

<http://www.artisancam.org.uk/>

A site with videos, activities, workshops, information & galleries of work.

Art Galleries

www.nationalgallery.org.uk

Find images of great paintings, organised in different ways, learn about artists and try out some of the interactive activities.

www.tate.org.uk

Online access to a collection of British art from 1500 onwards and international modern art.

<https://www.nga.gov/education/kids.html>

The children's part of the Washington DC national gallery. A good collection of things to do with a huge collection of pictures and objects from all over the world.
