

Sports Funding at Northwick Manor Primary School

Amount of funding received: £11,245

Key Priorities/Outcomes	Action	The effect of the premium on pupils' PE and sport participation and attainment	How we will ensure the improvements are sustainable.	Cost (Spending so far)
<p>To increase attainment in PE so that more pupils achieve age related expectations.</p>	<p>To observe lessons to ensure pupils are receiving high quality PE lessons. To fund specialist coaches (Dance, Tennis, Basketball and Rugby) to teach lessons in all year groups.</p>	<p>Pupils are performing/enjoying/succeeding in their lessons.</p> <p>Staff observing specialist coaches are being 'up skilled'</p> <p>Pupils being taught by specialists are more engaged.</p> <p>We predict that 90% of Year 2 pupils and 99 % of Year 6 will be at least age related expectations for PE by the end of the year.</p>	<p>Pupils reach at least age related expectations by Year 6.</p> <p>We have created ongoing links with clubs in our local area. For example at least 80 children have joined WTC since receiving training at school. We provide parents with information to raise the profile of clubs and activities.</p> <p>Staff confidence is improving and are able to continue to develop the skills in their own lessons.</p>	<p>Cover for PE coordinator to observe/support teachers with their lessons. £400</p> <p>Cost of coaches - £4915</p>
<p>To provide a range of high quality extra-curricular activities.</p>	<p>To organise a variety of termly clubs available to all year groups.</p>	<p>Pupils have experienced sports/activities that may not otherwise be available to them.</p>	<p>Pupils have been encouraged to make links outside of school. The school has made links with providers we</p>	<p>Cost of clubs - £4680</p>

Sports Funding at Northwick Manor Primary School

Amount of funding received: £11,245

	To keep records of attendance for all pupils.	Pupil's activity levels are increasing. More children are attending after school clubs provided.	feel to be of high quality. Pupils are more likely to join clubs offered in the community.	
To provide additional intervention in swimming for Yr 6 pupils who haven't achieved 25 metres.	Our specialist swimming teacher to organise and teach 'top-up' swimming lessons for identified children.	Pupils are able to swim at least 25 metres by the end of the year.	Children will go onto high school meeting the national requirement.	Hire of pool/transport £480
To increase participation in competitive sports. To increase celebratory sporting events, particularly for KS 1.	To attend Bishop Perowne led festivals. To organise and provide competitive 'house' events. To enter sporting competitions accessible to all pupils. To organise times for classes to 'showcase' their work to others.	Pupils experience competitive situations. They develop skills such as cooperation and sportsmanship. Older pupils can develop their coaching roles. Pupils enjoy performing to an audience. Pupils feel a sense of belonging/pride towards their 'house'	Pupils develop good sportsman like behaviour. They learn to cooperate, win and lose.	Cost of transport - £550 Rewards - £150
